

Abstract geometric lines in black on a white background, forming various overlapping polygons and shapes.

# MEDICARE ADVANTAGE PLAN: NEW FOOD ACCESS LOCATIONS

Map of the United States showing the distribution of 150 bird species. The map uses colored circles to represent different species groups: orange for the largest group, yellow for the second largest, and dark blue for the third largest. The circles are distributed across the United States, with a high concentration in the eastern half, particularly in the Southeast and Northeast. The map also shows state boundaries and names.

- Low Income
- No Car
- Seniors (65+)

# States with the Highest Prevalence of Health Conditions

Health Condition

Diabetes

Heart Disease

High Blood Pressue

High Cholesterol

Obesity

## REPEATED COUNTIES: ACCESS CHALLENGES AND HEALTH CONDITIONS

State	County	Instances
Oklahoma	Osage	7
West Virginia	Kanawha	6
Kansas	Wyandotte	5
Oklahoma	Pottawatomie	5
Florida	Flagler	4
Florida	Lee	3
Florida	Polk	3
Florida	St. Lucie	3
Illinois	Macon	3
Pennsylvania	Erie	2

## NEXT STEPS

- **Percentage change in low-access groups**
- **Health condition prevalence in future populations**
- **Association analysis with repeated counties**
